ADMINISTRATION

Principal's Message

I wish to take this opportunity to congratulate the Class of 1982 upon the occasion of your graduation from North Quincy High School. You have attained great heights in the academic and athletic domains. This class was plagued with disruptions for two years because of building construction; yet you weathered that storm and were able to enjoy the best of facilities as seniors. Continue your perseverance and success and happiness will be your reward.

Good Luck Seniors,

Peter J. Chrisom, Principal
